### STUDENT HOUSING

**FINDING A PLACE TO LIVE:** We are recommending some actions that will better ensure you have a place to stay upon your arrival. Central Phoenix and Tempe are the nearest areas in which to secure housing while attending R-V. Some of our students car pool and some use bicycles to reduce transportation costs.

**We suggest you begin your search as soon as possible in order to secure a place for August.** You may need to sign a lease or pay an advance deposit to hold an apartment until you can view it in person.

RV School is located in downtown Phoenix where many housing opportunities are available. A good place to begin your housing search would be between 7th Avenue and Central. (West to East) and between Roosevelt and Fillmore (North to South) - This area would be walking/biking distance from the school.

Once you've found an apartment that looks good, check the distance from the school with an online map service or contact Bart Applewhite for advice.

#### HOUSING CONTACTS:

- Try an on-line apartment search such as <https://www.furnishedfinder.com/>, [www.rent.net](http://www.rent.net) or [www.aptsforrent.com](http://www.aptsforrent.com). They are free and list most of the accommodations available in the area. On these sites you can search apartments by price, amenities, and location.

#### SHARING AN APARTMENT

If you are interested in sharing the cost of an apartment or house with another student please feel free to contact the school and we can forward you the information of students who chose to be listed on our roommate service list. If you did not select this option on your application please notify us as soon as possible and we can pass the word along to students looking for a roommate.

*If we can offer any help with your housing search please let us know. The rental market is constantly in a state of change with the growth of the Phoenix area so some of the listings we suggest may be out of date. Please remember that finding a place to live is your responsibility.*
